To: "fms-shutdown@lists.andrew.cmu.edu" <fms-shutdown@lists.andrew.cmu.edu>, "fms-wean@lists.andrew.cmu.edu" <fms-wean@lists.andrew.cmu.edu>, Building-access-notification@lists.andrew.cmu.edu, fms-scott@lists.andrew.cmu.edu

The power shutdown for the Wean Hall transformer replacement is only one month away (details below). There will be an update meeting on Thursday, 4/17, at 12PM to receive feedback from affected departments and discuss the details of this shutdown.

Please send an email to Shannon Wetzel at swetzel@andrew.cmu.edu if you would like to be invited to this meeting.

Facilities, Infrastructure and Risk Management (FIRM)

Facilities Management & Campus Services

TO: Shutdown Group, Wean Hall, Building Access

FROM: Service Response Center

DATE: February 26, 2025

SUBJECT: Wean Hall Transformer Replacement – Power Shutdown 5/16 – 5/18

A preliminary planning meeting was held on Monday, 2/17, to discuss a power outage needed to replace a transformer in Wean Hall.

The power shutdown is scheduled to start at 4PM on Friday, 5/16, and end by 12PM (noon) on Sunday, 5/18

Wean Hall will experience a full building power shutdown on those three days. The Scott Hall nano lab will experience a loss of power during the first two hours and last two hours. (5/16 from 4PM – 6PM and 5/18 from 10AM – 12PM).

Emergency generators will be running if you have equipment on emergency power.

WEAN HALL WILL BE CLOSED DURING THE OUTAGE.

Please contact Bob Penn, FMS Metering and Automation Systems Engineer, at 412-251-2658 or rpenn@andrew.cmu.edu for any questions or concerns regarding this shutdown.
